

REWRITING & ACTING ACTIVITIES

1) A visual aid to support rewriting/retelling the story in French or in English.

2) Suggestion: rewrite the story in English filling in the speech bubbles and orange rectangles with your own words. OR Ask the children to skim the French text to find the correct phrases to reconstruct the story and fill in the speech bubbles and orange rectangles.

Should you wish to act the story out, you may find templates for making masks following this link:
